Student Spotlight: Meet Colin

Meet Colin, our second-year Taylor Stars peer mentor at the Taylor Family Center for Student Success!

“This is my second year being a peer mentor and in addition to being an APM to four very awesome first-years, I also coordinate the semesterly artist showcase - keep an eye out for some exciting news on this soon! I am a current junior from New Braunfels, Texas, and I am majoring in biochemistry with a minor in math!

I’m an exec in the student-run nonprofit, Heart for the Unhoused, where I help lead projects related to the intersection of homelessness with law, public policy, and the St. Louis public school system. I am also a DJ for the student radio station, KWUR, where I play all sorts of groovy tunes from 3-4 PM on Tuesdays. I work as a PLTL leader for Calc II as well as a peer mentor for the Taylor Stars program.”

Please join us in extending a warm welcome to Colin for being an amazing peer mentor for the Taylor Family Center for Student Success!
